ADVICE TO BIDDERS

Collectors not able to assist personally at the auction may give their absentee bids employing the enclosed form, please indicate the maximum bid.

Lots will be bought as cheaply as allowed by other bids and reserves.

The limit you leave should be the amount to which you would bid if you were to attend the Sale.

Use the bidding slip and check lot numbers and descriptions.

Bid as early as possible.

Alternative bids can be placed by using the word 'or' between lot numbers.

Should you be a successful bidder you will receive an invoice and instructions for payment.

In sending a bid the conditions of the sale are accepted. An absentee bid can not be cancelled and has to reach the Auction House at last 1 day before the auction.

You can also register here for telephone bidding during the auction. You will be phoned a few lots in advance.

You can also add a safety bid only to be used as far as necessary, similar to an absentee bid, if telephone connection during the auction failed.
